Assigned Office :	Green Bay		

Your following Comments have been forwarded to DSPS: "e-File This project will be a Type VB for the upper 3 floors, and a Type 1A for the basement. This will be a full 'Building & Architecture Review' that would follow the footing and foundation and early start permit (Trans ID: 3264769) Also, I tried to add the HVAC designer as well (as we'd like to get HVAC reviewed too), but the website would not accept it. The following is the info for the HVAC Designer. Josh Hansen JHansen@hovlands-inc.com Hovland's, Inc. P.O. Box 226 Eau Claire, WI 54702-0226 Feel free to call me at the following, if you need further information. 773-425-6456"
